3 It was confirmed that there were no Declarations of Interest from those attending the Meeting

4. GK presented the proposed Policy Wording for the Mixed Use Site Allocation (Policy H1) for inclusion in the Reviewed N P document. DRJ expressed some concern that the landowner may not be happy to include this site if the development mix is financially unviable or impractical, given the nature of the existing buildings and wondered if the wording could be aligned more generally to 'following the Policies and Design codes as far as possible', or similar. GK felt that the description would be insufficient for HDC, when overiewing the Draft Review. He agreed to speak with HDC and it was agreed that a meeting would be set up with Oscar Briggs to discuss. GK, AC and DRJ would attend the meeting.

5. Notwithstanding the above, it was agreed to proceed with the Community Event at the Village Hall on Saturday November 11<sup>th</sup> from 10.00am until 12 midday. GK would provide the requisite display material and the Event would take the form of seeking comment on the revisions incorporated within the Review Document, with these being outlined for ease of recognition.

6. After the Community Event, the Review would be finalised and submitted to both HDC and the P C for approval.

7. The next meeting of the Steering Group will take place on Monday 30<sup>th</sup> October at 2.30pm at Sycamore Cottage, Arnesby
  
- 8 There was no further business and the meeting was closed.
